1. About our Rapid Saver Passbook Account

This personal savings account is designed to help you reach your savings goal faster by encouraging you to save! Simply make **at least one deposit and no withdrawals** during the month to earn interest.

2. Key features

This account is for personal use by individuals and offers a range of options to access your money when you need it, including: internet banking, BPAY®, automatic transfers and of course, access through our branches.

3. Interest

The current interest rates are available by contacting us or at newcastlepermanent.com.au/rates. Our rates are variable and so may be changed at any time.

Credit interest you earn is worked out as tiered interest using the annual rate divided by 365 on the daily closing balance and paid to the account on the last day of each calendar month if you have made **at least one deposit and no withdrawals** during that month. Please note that interest credited to the account does not count as a deposit.

Overdrawn interest charges apply on any overdrawn amount. Please ensure you have sufficient funds to prevent your account becoming overdrawn.

4. Operating your account

Internet banking, BPAY, automatic transfers and our branches can all be used to access your account. Please see our **Account Access Terms and Conditions** for further details.

There are maximum limits on the amounts you may withdraw each day, please refer to **Payment Limits**: newcastlepermanent.com.au/daily-limits

Please let us know if you would like to register for our personal internet banking service. Our **Account Access Terms and Conditions** details the services available. Our business internet banking has separate business internet banking rules (which will be given to you at the time you register for business internet banking if you are eligible for this service).

We will record the details of transactions in a passbook issued with the account.
